# Cattle Feeds

**Lindner 322 | Meier First Drive:** A medicated, pelleted creep feed designed for calves still on the cow or at the beginning of the weaning process. Get them started off right with vitamins, minerals & probiotics.

Protein: 13% Fat: 4.2% Fiber: 11.4% (Pelleted)

**Lindner 373 plus| Meier Competitive Drive PLUS:** The next step for recently weaned calves, this textured developing ration is high in fiber, protein and essential vitamins and minerals, plus a highly digestible fat additive. A great way to add fat, while remaining highly-tolerable for the developing rumen of young cattle.

Protein: 12% Fat: 6.70% Fiber: 16.6% (Textured)

**Lindner 372 | Meier Final Drive:** A finishing ration that is an ideal start for cattle around a year old that will help them achieve their maximum potential. It is specifically designed to put extra body and condition on show cattle. The high protein content promotes muscle development and tone, beet pulp for added body depth and volume, and vitamins and minerals to provide the essential nutrition they need to be competitive.

Protein: 12% Fat: 5.0% Fiber: 13.6% (Textured)

**Lindner 377 | Show Heifer Feed:** A high fiber, low fat ration to keep your show heifers at the optimum flesh and show-ready condition for that fresh show ring look.

Protein: 11% Fat: 2.5% Fiber: 18% (Textured)

**Lindner 375 | Big Barrel:** THE body fill supplement for cattle, sheep and goats. Feed BIG barrel to those that need more body dimension and rib.

# Supplements

**Lindner 1115 | DIAL N:** Dial N is a high calorie, dense liquid fat supplement. Improves freshness, fat cover and appetite in final prep for the show.

**Lindner 1112 | TUNE N:** Designed to enhance muscle definition while cleaning excess condition for a fresher look.

**Lindner 1113 | TNT:** TNT is a unique filler product that explodes and softens body and rib while also maintaining freshness. Use TNT at home to help build extra body and rib by starting two to three weeks prior to the show.

**Lindner 1111 | System Mechanic & Lindner 1110 | Cattle Mechanic:** The ULTIMATE, one of a kind supplement to support joint, skeletal, and digestive systems!!!

**Lindner 1109 | XXL:** Our NEW pelleted Paylean® product, formulated to get MAXIMUM response!! The elite Feet First® program is still included in XXL for excellent foot integrity during stressful feeding periods.

4 ounces = 4.5g/ton 8 ounces = 9.0g/ton

**Lindner 1108 | FULL Figure:** Coconut oil based product as a source of added fat (80% fat). Quick Acceptance, Palatable, Fast Results.....!!!

**Lindner 1104 SUP RRR OINK:** A milk based top dress used as a fat supplement to improve the body condition and performance of exhibition swine. A great supplement to be fed wet or dry.

**Lindner 1102 | Life Saver:** For use in show pigs to maintain healthy appearance and freshness. Use as an added electrolyte and energy source. The ultimate appetite stimulant!!

**Lindner 693 | Oat Groats:** Lindner now has their own brand of high quality, super clean, low dust, true oat groats!

**Lindner 698 Slop:** Can be used daily to prevent stomach health issues and finicky eaters and at the show to increase consumption while adding fill, rib and body.
